

Enrichment Camps

Spanish Immersion Summer Camp with Blanca Lawton

Children will enjoy learning Spanish through song, play, crafts, dance, imaginative play and more. This program offers a true cultural experience. We work with children according to their Spanish skill level: from basic Spanish pronunciation, reading, writing (for school age children), practical conversation etc., every child may have different worksheets according their skills. All in Spanish!

Ages 4-8 (separated by ages/skills)

Each week of camp has a different theme!

Need an afternoon camp to complete your day?

Add the **Aquatic Adventure Camp!** See details listed with the Multiplication and Division Camp.

Multiplication & Division Camp

with American River Montessori

Get a head start before school begins and have fun reviewing and learning multiplication and division through playful physical activity or while doing cool arts and crafts. Join us for a whole week of fun and learning - we'll memorize multiplication and division tables while playing games and creating art projects. Parents note: Memorizing the multiplication and division tables is critical when learning higher level math concepts - we'll help your child develop that firm foundation!

Need an afternoon camp to complete your day?

Add the Aquatic Adventure Camp (320702-B5) and spend the entire day at the Folsom Aquatic Center. Campers will be escorted at noon to the camp's home base for lunch (bring your own or purchase at the on-site snack bar). Adventure Camp begins at 12:45 p.m.
